

2023 Registration Guide, Casting Criteria and Waivers

Welcome to the 2023 show season! Showtime on Ice is an exciting and entertaining production! Beloved tales and stories are brought to life with music, choreography, professional lighting, and the theater of skating. Skaters learn what it means to be in an actual production, how to perform on ice and work as a team. It truly is an unforgettable experience!

Our show has been produced in Denver since 1973 and we are the largest, western regional ice show. Much credit for its longevity goes to the late Peggy DeLio, show founder. Her dream, dedication, passion, and spirit live on in our extensive skating community.

It was with heavy hearts that we made the decision to cancel the 2020-21 productions due to COVID-19 outbreak. It was an unprecedented global event that required measures never considered before in our show's history. As we embark on the new season, we are trying to adapt to the new normal and be mindful of what is to come. We are hopeful and encouraged by the overwhelming support of the show by our skating community and the less restrictive CDC and Tri-County Health guidelines.

Please rest assured that we will follow those guidelines closely and will do everything possible to produce and deliver a show that is a safe and enjoyable experience for all!

We wouldn't be where we are without the help of our incredible family of volunteers. We are a community of people working together to make a rewarding and successful show experience. Even the committee chairs are an appointed group of volunteers; six people representing the now merged Denver Colorado Figure Skating Club.

We urge you to be part of our amazing team! Our volunteers have an understanding that this opportunity for the skaters would not happen without their efforts.

The Showtime on Ice committee and show directors will be operating the show from a standpoint of what is best for the production. Please be respectful of the committee, directors and our policies and protocol. You will find lots of information over the next few pages - all designed to help you prepare for our upcoming show! Mark your calendars, be prepared and go over all items with your skater(s).

Thank you and we wish you all a safe and amazing show experience!

REGISTRATION GUIDE

Please take the time to read all the information prior to registering for our 2023 production. Information in these documents will answer many of your questions and assist with your early planning for the show. We look forward to working with our returning show skaters and we can't wait to meet our new skater families!

Showtime on Ice operates on these principles:

- ✓ Respect – Showtime on Ice is a privilege for all skaters to participate in. With great numbers of skaters in each production it is expected that each skater will respect each other, all directors, choreographers, junior choreographers, committee members, volunteers, rink staff and any other person associated with the show.
- ✓ Effort – It is expected that all participants of the show be committed to rehearsals, choreography, and costume care. Hard work pays off and our end result is always a shining example of the effort our skaters give throughout the process.
- ✓ Attitude – What makes a great show? Great attitudes! Showtime on Ice is a fun and exciting event for all and great attitudes make a great show. Please come to rehearsals with the understanding that each skater cast in the show contributes to the story. Come to rehearsals with smiles, a willingness to help each other at every level and to work cohesively as a team.
- ✓ **ZERO Tolerance Policy** – In order to foster a safe environment for everyone involved with Showtime on Ice we will be enforcing a strict zero tolerance policy that will include but is not limited to, bullying, physical/sexual misconduct, disrespectful behavior, gossip/rumors and failure to follow required USFS SkateSafe and SafeSport and posted Code of Conduct rules and guidelines. This policy extends to skaters, parents and all others involved with the production side of our show.

Casting

We cast our show immediately after auditions. The casting committee includes the Directors, Casting Coaches, Committee chairs and, at times, club President or other club representatives. Please read important casting items below. *Please note – we have had moments in show history where we had a very large number of Intermediate through Senior levels. In a perfect show, we would cast every high-level skater in a character role but, as we enter into the next several months, we will still deal with some uncertainty and must allow for flexibility with casting and production of the show. Please be aware and respectful of the special circumstances we may encounter this season.*

- Showtime on Ice reserves the right to cast any skater in any role that the casting committee feels best tells the story.
- Shine at auditions! Auditions are your time to show the casting committee your best interpretation of the music and skating skills.
- Initial character casting will begin at the senior level. If there are higher than usual Intermediate and above skaters projected to audition for the 2023 show, Intermediate level skaters may or may not receive a character role in the 2023 production.

SkateSafe and SafeSport

The United States Olympic Committee (USOC) created the SafeSport program to help raise awareness about misconduct in sport, to promote open dialog and to provide training and resources.

1. As a USFS sanctioned event, we use the USFS SkateSafe and SafeSport protocols to guide our decision making and policies concerning skaters, parents, volunteers, changing rooms, cell phones and other mobile recording devices, disputes, behavior and even skater check-in/check-out procedures during dress rehearsals and performances.
2. US Figure Skating will not tolerate or condone any form of harassment or abuse of any of its members including athletes, coaches, parents, volunteers, and other persons while participating in any event conducted under the auspices of US Figure Skating.
3. Showtime on Ice is committed to creating a safe and positive environment for members' physical, emotional, and social development and ensuring that it promotes an environment free of misconduct.
4. Showtime on Ice expects that skaters, parents/guardians/volunteers, directors, show committee members, coaches, and all involved with the 2023 production comply with this protocol.
5. All skaters that are or will turn 18 during the show season must complete a background check and the SafeSport certification course. These must be completed and submitted before the first rehearsal.

Code of Conduct

Skaters and parents/guardians must recognize that participation in all the activities associated with U.S. Figure Skating and Showtime on Ice is an honor and privilege that carries certain responsibilities. They must agree to fully abide by the rules and guidelines set forth by U.S. Figure Skating and Showtime on Ice or its properly designated agents.

Behavior and Respect

- At all times, Showtime on Ice skaters and parents/guardians are expected to show respect for himself/herself, other skaters, show directors, show choreographers, show junior choreographers, staff coaches, Showtime on Ice Committee members, show volunteer leaders and rink management personnel.
- Complete cooperation and appropriate behavior are expected during all rehearsals and performances. This includes:
 - Compliance of all rules and SafeSport guidelines posted in locker rooms.
 - Compliance of all backstage rules including, but not limited to; no jumping, spinning, or practicing backstage during rehearsals or performances, misuse or mishandling of props during rehearsals or backstage during performances.
- Skaters and parents/guardians are expected to abide by all club, rink and USFS SafeSport policies during all Showtime on Ice activities - auditions, practices, rehearsals, etc. For specific club policies, please see Code of Conduct/SafeSport protocol from DCFSC as well as US Figure Skating.

Social Media

We understand that all our skaters are connected on social media and we encourage this camaraderie at the rink. However, we will not tolerate misuse of social media of any kind. This includes and is not limited to:

- Mocking, derogatory, mean-spirited and/or bullying posts of any kind that reference Showtime on Ice, its cast, choreographers, directors, volunteers and any other person or entity involved with the show.
- Posted photos that are taken in locker rooms or any other area of the rink that is deemed off-limits per SafeSport.

We ask that all skaters adhere to these policies and use social media to spread excitement about the show and post fun and positive photos of their fellow cast members.

Safety on and off the ice is a major concern. Skaters are expected (no exceptions) to follow cues and their set choreography. At various times, there may be small groups and soloists on the ice. The timing of this detailed choreography is carefully designed with safety and show appeal in mind. It is

imperative that skaters pay attention to activity going on all around them during rehearsals and performances. Non-compliance will not be tolerated.

Rehearsal Protocol and Attendance

- Rehearsals will start and end on time. Skaters are expected to be prompt. Arriving early is highly recommended.
- Gum, popcorn, and candy are not allowed on the ice or at the barriers during rehearsals.
- Skaters must be respectful during rehearsals. Excessive talking or fooling around will not be tolerated and will be subject to disciplinary action.
- Skaters must wear their hair secured back and off the face. If a skater is wearing hair down due to a character interpretation (designated by costume committee), the skater is expected to rehearse with the same performance hairstyle. This applies to wigs as well.
- Everyone will treat the props carefully and follow all directions and rules stated by the Prop Manager.
- Skaters must perform the elements choreographed in their number including all double jumps at every rehearsal, unless instructed otherwise. If the skater falls consistently on a designated jump during rehearsals, the skater will be instructed to replace it with a jump that can be consistently landed.
- Rehearsal attire will consist of skating clothes, not jeans.
- There may be time spent standing around and waiting during a rehearsal. Skaters are expected to dress warm and always pay attention to coaches and choreography/activity going on around you. Safety is of the utmost concern.
- Skaters are expected to know the rehearsal schedule well in advance and arrange rides, if needed, to attend rehearsals. Repeated missed attendance will not be allowed.

Only skaters cast in the show may be on the ice during and around rehearsal times unless given permission by a director or show committee member.

Disregard of the Code of Conduct may result in the skater being asked to observe rehearsal from a hockey box or some other appropriate action. This will be left to the discretion of the directors/choreographers and/or Showtime on Ice committee member(s). Repeat code of conduct violations or severe one-time violations will result in the expulsion of a skater(s) from the show. Code of Conduct violations by parents and/or guardians will also incur consequences including, but not limited to, a ban from attending rehearsals, SafeSport reporting and/or expulsion from the show.

Volunteer Policy

Showtime on Ice is a non-profit event, produced by Denver Colorado Figure Skating Club. The show is organized by dedicated and appointed volunteer Committee Chairs. The event is run almost entirely by volunteers. Very soon you will be asked to sign up and assist with a wide array of volunteer tasks. Training is given for every task and participation from every family is expected. Without the help and dedication of volunteer families, there would be no Showtime on Ice! Volunteering for the show is fun and rewarding.

- Each family will be asked to give **eight hours** of volunteer service to the show.
- High school students may receive volunteer credit towards their graduation requirement by assisting with the show.
- Whether this is your first year or your tenth, all families are expected to volunteer. We will give a lot of guidance and suggestions to first time families. Everyone is valued and appreciated!
- Showtime on Ice appoints two Volunteer Coordinators. Their sole task is to help each family find a good fit based on time and talent. They will be readily accessible to answer questions and help. Please treat our knowledgeable coordinators with the utmost respect. This is a monumental job!
- If you are unable to volunteer, you may add a waiver fee of \$150 to help SOI fill those jobs that require SafeSport certification and background checks. Please note that this is a strictly SOI policy and does not fulfill the volunteer requirement for DCFSC.
- All SafeSport policies apply to every show volunteer. Please show respect for all show policies and leaders.
- **USFSA has updated its policies and we will be requiring that all volunteer positions that are positions of authority and/or work one-on-one with skaters have SafeSport training and background checks.**

Costumes

Costumes are created to portray a character or group of skaters. These groups and characters, combined with specific choreography, tell a specific story on ice. Please read the items below carefully. Understanding these statements helps keep costume fees lower.

- Costumes are not designed to serve the purpose/function of a competition dress/ outfit.
- Costumes are ordered with the vision of dedicated seamstresses, show directors and specific Showtime on Ice committee members.
- Costumes are to be worn as directed by the costume committee.
- Costume parts cannot be replaced. Please keep track of all items at home, at dress rehearsals and during performances.
- Skaters are required to attend costume fittings as announced.

- Costumes will be fitted but are not meant to be worn with the same seamless/custom fit as dresses/outfits worn for competitions.
- Costumes are meant to last for dress rehearsals and show performances. Any life given to costumes after the show is a bonus!
- Costumes may not be altered in any manner unless approved by the costume committee chair. This includes but is not limited to; the addition of crystals, other stones, accessories or any other embellishments.
- **AGAIN THIS YEAR** - In order to ensure everyone's health and safety on Audition Day, we will be implementing a self-measurement procedure to take costume measurements prior to registration close on October 30, 2022. All measurements will be entered during the skater registration process, however, LTS skater measurements will be verified on Audition Day. (More information regarding this will be communicated prior to Auditions.) You can find all the information and measurement instructions under the Registration and Costume sections on the website.

Frequently Asked Questions

What is Showtime on Ice?

The late Peggy DeLio created the show experience to expose figure skaters and their families to Broadway musicals and classics. The first show was modeled after Ice Follies and every year, the show has had a different theme.

Where/When is the event held?

The event is held at South Suburban Sports Complex – April 21-23, 2023. Four performances are held over three consecutive days. There are two evening performances and two matinee performances.

Are there auditions?

Skaters will attend an audition on November 5, 2022. They will be cast as a specific character or member of a skating group. Our Casting Criteria is posted on the bulletin boards at South Suburban Sports Complex, Family Sports Center and show website.

When are the rehearsals/what is the time commitment?

Rehearsals begin on March 25, 2023 and run right up to opening night! Rehearsal times are dependent on your skater's level. The rehearsals usually run for an hour or so on Saturdays or Sundays and possibly one-week night. The week before the show, we rehearse every night. We typically suggest setting aside the weeks of April through the actual show to plan for rehearsals.

Do I have to have a certain skating level or ability?

During a normal season, all levels are welcome to participate. Please remember that Showtime on Ice has a place and part for all levels of skaters! We enter our planning process with this idea in mind and will do everything possible to continue to promote show's accessibility to skaters of all ages and levels. This is a great opportunity for your skater to build new relationships in the skating community, learn what it takes to be a member in a large-scale production and get some extra skating practice!

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 and its variants are extremely contagious and is believed to spread mainly from person-to-person contact. It is believed that an asymptomatic individual can be infected with and transmit COVID-19 without their knowledge.

Showtime on Ice Committee (“SOI”) has put in place preventive measures recommended by the State of Colorado to reduce the spread of COVID-19, however, SOI cannot guarantee that you, your child(ren), your spouse, or anyone else will not become exposed to or infected with COVID-19 as a result of participating in the 2023 production of Showtime on Ice (the “Show”), the auditions for which will be held on November 5, 2022, with rehearsals taking place during March 25 – April 20, 2023 and a total of four performances held on April 21-23, 2023. NOW, THEREFORE, in consideration of being permitted to participate in the Show, I understand, acknowledge and agree to the following:

I have independently evaluated and reviewed the risks of being exposed to or infected with COVID-19 and its variants and have determined to participate in the Show with full knowledge and acceptance of the risk.
