

# Showtime on Ice - Costume Fitting Day Schedule

## Family Sports Center - Banquet Room on upper floor

6901 S. Peoria Street, Centennial, CO 80112

**Saturday, March 7, 2026**

**8:00 am – 12:30 pm**

**\*\*Check the specific time schedule below so you know when to come for each part.\*\***

### Important Information

If a costume is not ready they will be listed at the bottom of this page. It means the skater does NOT need to come for that costume on 3/7/26. They will come to a costume fitting at a later date. The next scheduled fitting - Sun. March 29th 11am-3pm.

#### Parents are NOT allowed in the costume fitting room.

Exception - skater's 6 yrs or younger are allowed to have a parent/legal guardian accompany them into the fitting room to assist them if needed. Skater's names are in green below if they are 6yrs or younger.

ONLY for the skaters in green - A parent is allowed in the costume fitting room - One parent or permanent legal guardian of the same sex to assist their child immediately prior to and after their skating event, where parental assistance is necessary. "Skating event" in this instance is the costume fitting day. If a different sex parent/guardian comes we will give them the costume to help their skater change in the restroom.

**NO Cell Phones** will be allowed in the costume fitting room. Skaters can leave their phones with their parent (or whomever brought them) or they will be required to leave them in a basket at the door and will pick them back up on their way out.

Please make sure skaters are wearing proper undergarments because we sometimes have skaters switch costumes for a better fit. They are not your costume(s) until you take them home. Skaters with no undergarments will not be able to try on or be fitted for their costume (s) that day.

Inside the fitting room there will be individual tents set up for skaters to change into costumes.

If you are going to miss your scheduled time please email the committee at [info@showtimeonice.com](mailto:info@showtimeonice.com). The skater will have to wait till the next fitting to get your costume(s).

**Check-In:** Upstairs outside the banquet room.

**Check-Out:** Skaters will be released as soon as their costume fitting is done. Skaters 8 years and younger must be checked out by a parent. Everyone else will be self-released.

\* means must be checked out by a parent

**Schedule is subject to change if costumes readiness changes.**
