MAKE-UP & TIGHTS GUIDELINES:

Foundation/powder – Your choice.

Blush – Any rosy/pink shade. Stay away from corals.

Lipstick – Reds work the best and show up on the ice.

Eyeliners – Dark brown or black.

Mascara – Dark brown or black.

Eyeshadow – Browns are the best. Stay away from blues/green/pinks/purples. The deeper browns show up better on the ice.

Tights – Nude in boot, no crystals (unless your costume has leggings/pants).

OPTIONAL LEOTARDS – If you are concerned about your younger skater being cold you may get them a skin tone leotard to wear under their costume. This will help keep them warm. The leotard type will depend on the type of costume you have. Recommendation to go into a dance studio in town.
